

Strohwig Industries

QUALITY POLICY

1. **Strohwig Industries is absolutely and unequivocally committed to maintaining the quality standards required by our valuable customers.**
2. **Our documented quality management system will assist us in maintaining and strengthening our position in the Tooling & Contract Machining Industries.**
3. **We will meet these by:**
 - a. **Establishing quality objectives and reviewing them on a periodic basis.**
 - b. **Following authorized written procedures while continuously improving the effectiveness of our ISO 9001 Quality Management System.**
